Grew up on a ranch south of Calgary Alberta. Rode bucking horses and roped through High

School Rodeo up into professional rodeo. Went to Olds College where I received my Heavy-Duty Mechanic Ticket. Started in the movie business in 1999 with Texas Rangers as a casted SSE

posse member. I train horses professionally for disciplines such as roping, cutting, working cow horses and ranch work. Taught numerous clinics from beginner to advanced horsemanship, roping and cow work.
